

MRC Junior Tennis-Summer 2010

Thank-you for your interest in our summer junior program. This is the 23rd year that MRC has been offering our summer morning junior programs. We have 7 weeks from which to choose. As always, we have designed our program to give your child a fun-filled week of tennis along with top-notch instruction & invaluable match play. The maximum number of students per instructor will not exceed 5:1, so your child is assured of receiving our personal attention. We hope you will enroll your child today for one week or several weeks, of organized fun & learning, all wrapped into one. Tennis is the sport for a lifetime!
